Programme Outline

Module 1:

Impact of Behavioural Insights in the Workplace

Facilitate understanding of how behaviour shapes workplace dynamics, helping participants connect insights to their roles and recognise its impact on performance.

Module 2:

Self-Discovery

Facilitate exploration of personal behavioural styles, enabling participants to reflect on their strengths, challenges, and growth opportunities for enhanced self-awareness and workplace effectiveness.

Module 3:

Roles of Middle Management

Help participants to understand the responsibilities of middle management regardless of personality and leadership style.

Module 4:

Role of Manager in Disciplinary Action

Equip participants with the knowledge and skills to handle disciplinary actions professionally, ensuring compliance & fairness.

Module 5:

Basics of Being a Decent Leader

Equip Leaders with essential yet often over-looked habits that foster respect, trust and effective team management.

Module 6:

We Listen & We Don't Judge

Foster self-awareness and leadership growth by uncovering common employee grievances about bosses.

Module 7:

Looking Like a Boss

Help participants to reflect on how their presence and outlook influences their outlook.

Module 8:

Assessment & Presentation

Review & Assess participant's comprehension, reinforce learning & identify areas needing further clarifications.

Trainer | AuntyHR

Ku Sim Ling AKA AuntyHR is a seasoned HR expert with 20 years of experience in the workforce solutions industry. Formerly Corporate Services Director at a leading multinational in Malaysia, she transitioned to become an HR Influencer in 2023. A nominee for TikTok Awards Malaysia 2024 as Education Creator of the Year, she promotes workforce harmony and education through her unique blend of humour and practical insight. A certified trainer and former panelist of the IR Court, AuntyHR is also the founder of the #DilarangBodoh by Bimbo Society campaign.

Trainer | Evelyn Chue

Evelyn Chue is the Managing Director of **People Psyence®**, with more than a decade of experience in human capital consulting. Specialising in psychometric assessments, she drives individual, divisional, and organisational development across diverse industries. Evelyn is passionate about integrating scientific methods and quantitative measures to analyse and understand talent. Prior to People Psyence®, she led a consulting team at Thomas International Malaysia under Deloitte Consulting, contributing to the global expansion of the Deloitte Leadership Academy. Evelyn is a registered occupational test user with the British Psychological Society (BPS) and European Federation of Psychologists' Associations (EFPA). She also holds certifications in Assessment & Development Centres and Clinical Hypnosis.
